

**Now you can
dispose of
your waste
whenever
you want!**

By February 20, 2026, a series of new computerized fixed recycling centers will be installed in **Via Martiri della Libertà** and in two sections of **Via Galileo Galilei**. In addition to your card, the letter will contain a map showing the centers dedicated to you.

**The Ecoisole
are coming!**

What are the Ecoisole?

Fixed Ecoislands are computerized collection points for correctly sorted waste, open 24 hours a day, ensuring a clean, orderly, and traceable process.

The doors can only be opened with your personal magnetic card. The system recognizes your code and records your deposits, improving the service and maintaining urban decorum.

What will I find?

At the Computerized Recycling Center, you can drop off the following items every day:

PAPER AND CARDBOARD

Without any bag,
reducing the volume as much as possible

PLASTIC AND ALUMINUM

In the yellow bag provided,
reducing the volume as much as possible

ORGANIC WASTE

In a biodegradable or compostable bag

DRY WASTE

In the gray bag provided

...AND GLASS?

This must continue to be disposed of in street containers without any calendar restrictions
