

Recycling is now even easier!

Since May, a series of new computerized fixed recycling centers have been installed in various locations to serve the area where you live. In addition to the card needed to access them, the letter contains a map showing the centers dedicated to you.

The Ecoisole are coming!

What are the Ecoisola?

Fixed Ecoisola are computerized collection points for correctly sorted waste ensuring a **clean, orderly, and traceable process**.

The doors can only be opened with your **personal magnetic card**, and waste can be deposited from **5.00 pm on the day before collection until 6.00 am on the day of collection**.

At **Porto degli Aregai**, glass can be disposed of freely, whereas at **Lungomare Colombo** it must be disposed of using a card, as is the case with organic waste.

What will I find?

At the Computerized Recycling Center, you can dispose of waste every day in accordance with the schedule:

COLLECTION DURING STANDARD PERIOD
1 January to 14 June and 16 September to 31 December
